Section VI: Criminal Background Check, and Child Protection Training Course Acknowledgement

If offered a position, final employment eligibility is determined upon passing an electronic criminal background check performed by the University of Texas Human Resources Department. **The University and the Camp have a “zero tolerance” policy regarding providing false information and/or omissions.** Any applicant who is found to have given false information, including omissions, will be barred from this and future employment with the University. This includes deferred adjudications that are still pending. A conviction does not necessarily disqualify an applicant from being hired. **No one may begin work of any kind until their background check has cleared. An online driving course must be completed and three-year driving record submitted to HR in order to drive camp vehicles.**

Per Texas state law, all camp employees must complete an online child protection training course every two years. Further information is provided to employees once an offer has been extended, and there is no cost for this training. Training must be completed prior to the beginning of staff orientation.

Approved employment will be determined upon clearance from the University. All information furnished to the Longhorns Swim Camp and the University of Texas is held in the strictest of confidentiality. Please contact Jon Alter if you have any questions or concerns.

Section VI: References

Please have three professional references (coaches, teachers, or employers) send a written recommendation on their letterhead if applicable. They need to know that they will be contacted regarding your qualifications if you are among the finalists. References will need to provide their telephone number and the time of day they would like to be called. **These letters must be sent separately from your application, and may also be e-mailed.**

You will receive an e-mail notification when your application and all three recommendations have been received. Please be sure the e-mail address provided is one that is frequently checked.

You may e-mail your completed application to longhornswimcamp@athletics.utexas.edu. Please be sure all forms are complete and signed, and you have obtained a UT EID. Incomplete forms will delay the application process. Applicants must agree to work in an alcohol, tobacco, and drug-free environment if hired. Inappropriate language and behavior will not be tolerated.
