2019 LONGHORNS SWIM CAMP COUNSELOR/COACH JOB DESCRIPTION

A minimum of 23 mature adults are employed as counselors/coaches to supervise, coach, befriend, parent, fairly discipline, and apply guidance to a maximum of 175 campers per session. The priority is to provide a safe environment in which campers can learn, have fun, and be excited about swimming while providing the camp staff with professional education and networking opportunities. Coaching on deck requires following the head coaches lead and supervising the workout. Staff is also encouraged to call upon their own experiences.

While on duty, staff will be available and enjoy the interaction with campers. During recreational or non-workout times, counselors will be assigned areas of responsibilities on a rotating basis, including supervision of the dorm areas (game room, main lobby, volleyball/basketball courts, camp floors, and living areas), field trips, and activities. There is also the check-in and checkout process, airport pick-up/drop-off, paperwork, session organization, and shuttle van driving.

The duty schedule revolves around the four ability groups in the camp. Staff members are assigned to one of the following each session: Blue (fastest, oldest), Red, White, and Orange (not as fast, youngest). Group assignments rotate so that all counselors work with all age groups and ability levels over the course of camp, and work directly with Texas coaches Eddie Reese, Carol Capitani, Roric Fink, and Wyatt Collins.

Time off is built into the weekly schedule. A tentative time off schedule for a staff of 20: Monday through Friday, five counselors will be off from 4:00 p.m. until noon the following day. The schedule will rotate thru the week. A group of counselors will be off all day on Saturday, and a group off Friday evening and all day Sunday until 5:00 p.m. The Director is available 24-hours a day. All staff is on duty for the first camp meeting and stroke session on Sunday evening, and the Monday morning session. A weekly staff meeting is held every Sunday after the director's camper meeting.

Counselors must have completed at least 75 credit hours of college coursework. It is preferred that counselors have competitive swimming, and/or coaching / teaching, or camp counseling experience. Staff must arrive in Austin on Tuesday, May 21, 2019. Airport transportation provided. Required staff orientation begins Wednesday, May 22. Camp begins Sunday, May 26, and ends Friday, June 28. Counselors may depart on either Saturday, June 29, or Sunday, June 30. It is expected that staff participate in ALL end of camp activities unless arranged in advance with the director.

Starting salary is \$3000 (\$600 per camp session). Returning staff receive an additional \$75/session for each year of previous experience with the Camp, up to a \$1200 maximum. In addition, room (with private bath), meals, garage parking, recreational sports pass, NIKE camp apparel package, and travel expense help up to \$300 (\$60 for each session worked) provided. Salary is paid in TWO installments in mid-June and early July thru direct deposit. Staff needs to plan for this payment schedule.
